

Decorative Accents

Decorative Accents by Chemcrest include such small details as our Star Appliqués and Swag and Tassel Festoon as well as functional items such as the decorative shelves with hanging hardware for small vases of flowers or your favorite photograph. It also includes a full line of Plant Stands - 2', 3' and 4' columns with scamozi crowns which may be used for displaying merchandise in a retail shop or displaying plants or special pieces in a home. Larger "Crown Lids" are also available from Chemcrest to increase the display surface of a Plant Stand. Used alone or in combination, Chemcrest Decorative Accents may be purely decorative or highly functional - it's entirely up to your imagination.
